I'm Diane

Hi Bride! 🙌

I'm Diane Turpin, lead videographer for Diane Turpin Films. I have a huge passion for weddings and documenting ALL the precious moments leading up to "I Do."

I love photos, but video footage helps you to literally relive these unique moments with all the feeling and emotions. You get the noises, the voices, the sounds, everything that allows you to remember this day more vividly!

When I got married, I did not have a videographer and that is something I will REGRET to the day I die. Don't make the mistake I did!

My goal as your videographer is to capture and re-tell your love story so you can watch your love unfold right before your eyes.

I cant wait to meet you! ❤️

How I Shoot Weddings

I definitely love the posed and staged shots BUT I am ALL about the candid moments! My wedding videos are a little different from other wedding videos you may have seen. I tend to approach your wedding video from more of a documentary stand point. I like to get your day unfolding. I want you to be able to watch your whole day happen. I shoot all the candid moments of everything that happens from getting ready to the exit of your reception.

Rather than piecing a bunch of random clips together, I have a flow for your wedding video. There is a beginning (the getting ready footage), the middle (your ceremony), and the end (your reception). I do this so that you can literally experience your wedding from beginning to end.

The Experience

ONE

Hair and Makeup

This is footage of you and your wedding party getting ready! I will do candid shots as well as posed/staged shots.

TWO

Ceremony

Your whole ceremony is filmed from different angles so you can hear the man you love say his vows over and over again!

THREE

Reception

From your first dance to the exit, I capture it all!

VIDEOGRAPHY BY DILIGENT WEDDINGS

Diane

I am a mom of 4 little ones. My kids are 5 years old, 4 years old, 2 years old and 2 months old! I have been a stay at home mom for the past 4 years and decided to take this videography journey!

I love camping, baking with my kiddos, reading Nicholas Sparks + Christian romance novels, and teaching! I actually went to college to become a teacher and worked in an elementary school for 3 years up until I had my 2nd baby.

I'm a pretty crunchy mom. I am HUGE on non-toxic items and try to give my kids organic foods and other things! My kids' health is SUPER important to me so I definitely try to be mindful of ingredients and such!

Volunteering a priority for me. I try to volunteer as much as I can with 4 kids, but not as often as I'd like! We attend Calvary Baptist Church in Hiawassee. Taking my children to church is also a huge priority of mine. I never grew up in a Christian home, but I think it's important to show God glory especially since He sent his Son, Jesus to die for me.
